

## Product Information

# MOMENTO RAPID HAND CLEANSER

---

## Description

Momento is a premium grade hand paste based on natural ingredients and contains selected oils to maintain the skins moisture balance. The cleansing action is enhanced by the addition of special micro granules. Momento only uses biodegradable surfactants and is solvent free.

## Applications

Momento is suitable for use in all areas and types of industry. It cleans deep into the pores, providing lasting skin-protection and replacing the skins natural oils. MOMENTO will remove a wide range of products from soiled skin including oils, greases, tar, bitumen and printing inks.

## Directions For Use

Rub a little Momento into dry hands to loosen dirt. Add a little water, wash thoroughly, then rinse well and dry.
