

Product Information:

TERRALUS CBO

BIODEGRADABLE CHAINSAW CUTTER BAR OIL

Description

Terralus CBO oil is specially formulated to overcome the environmental concern, of long term potentially harmful ecological effects of mineral based oils in total loss systems, particularly in the agricultural, forestry, horticultural and water industries.

Features

- Reduce wear on cutter bar chain and sprockets
- Reduce build-up of foam
- Provide excellent corrosion protection
- Readily biodegradable
- Give excellent performance over wide temperature range
- Resist tendency to fling from fast moving parts

Applications

Terralus CBO is recommended for use in all chain lubrication systems and should be used accordingly to the manufacturers' recommendations. Terralus CBO is approved and endorsed by the British Agricultural & Garden Machinery Association.

Physical Characteristics

Appearance	Pale Amber Liquid
Relative Density @ 15.6°C	0.922
Kinematic Viscosity @ 40°C (cSt)	49.24
Kinematic Viscosity @ 100°C (cSt)	11.24
Viscosity Index	230
Closed Flash Point (°C)	240
Pour Point (°C)	-30
Biodegradability Test (%)	95

Figures based on average production values

Part No.s: CVG005, CVG025, CVG205
